This is a bowl holder for the PetSafe Healthy Pet Simply Feed Automatic Cat Feeder for Cats and Dogs, model PFD00-14574. The stock one cracks easily when someone kicks it. This fits into the slot available for the stock one, but only rests on the floor. This keeps the bowl from wandering away, but also lets the bowl be knocked away if it is kicked. This is not a good solution for pets that push the bowl around, but if you have a cat that is pretty gentle and the only people pushing things around are kids, this is a decent solution.
