

## Nautilus gear fidget side plates

 **Runfrcover**

[VIEW IN BROWSER](#)

updated 8. 8. 2022 | published 8. 8. 2022

### Summary

New side plates for easier rotation.

---

[Toys & Games](#) > [Other Toys & Games](#)

---

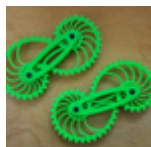

Redrawn side plates with more clearance for smoother rotation.

Allows the screws to be fully tightened without binding.

M3x10 BHC screw.

Options for both std nuts and 4.5mm heat set inserts
