### Summary

This is my 3rd and favorite phone stand. Very stable with all sizes even with a standard iPad down to an iPhone 5S size.

[foldingstand](#)

This is my 3rd and favorite phone stand. Very stable with all sizes even with a standard iPad down to an iPhone 5S size. The stand is collapsable and will easily pack away if you are on the move. The joint is nice and snug with a very comfortable viewing angle.
