Summary

Smaller pill box for smaller pockets

[Healthcare](#) > [Home Medical Tools](#)

Tags: [minipillbox](#) [pillbox](#) [box](#) [pills](#)

Great model by FinLepi but I needed it a bit smaller to fit in my pocket comfortably. Cut out a section in the middle to make it a rectangle and merged them back together.

Fits 6 Tylenol easily.

.3MF file "optimized"(your mileage may vary) to speedy but sturdy settings.

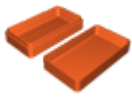

This remix is based on

1 hour pillbox

by FinLepi
