I liked the needle storage in the original and that it would fit into an Altoids tin, but I thought that the spaces to hold thread were too big. I also wanted notches to hold the thread ends, and space for three colors: black, white, and a medium grey.

I've included the file for the needle case lid, which is unchanged.

Print Settings

Printer Brand:

Creality

Printer:

Ender 3

Rafts:

No

Supports:

No

Resolution:

0.3

Infill:

25%

Filament: ? PLA Sky blue

Notes:

Two shells and two top/bottom layers.

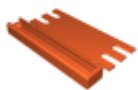

How I Designed This =====

A little adjusting in TinkerCAD gave me what I wanted.
