My mom goes out daily to make sure none of her cats have left a "present" on the neighbor's lawn, which she refers to as going on Poop Patrol. Of course I had to make this, wouldn't you?

In TinkerCAD, I removed the lettering and added half-domes on each of the points, just to make it pretty. After printing I highlighted the text with Sharpie, but forgot to take a picture before I mailed it to her. (Sad face)
