This is how I've felt about 3D printers ever since I first saw one in action and utterly geeked out. Every technology has to start off somewhere, right?

Highlighted the the lettering and border with Sharpie after printing.

Customized version of <http://www.thingiverse.com/thing:1739842>

Created with Customizer! http://www.thingiverse.com/apps/customizer/run?thing_id=1739842

Print Settings

Resolution:

0.2
