Is your Chia farming rig full of HDDs and need to connect more? At Czech.Farm we have a solution - our HDD expansion cage allows you to add 4 more HDDs into your Fractal Design Define XL case.

For Chia community by [Czech.Farm Chia Pool](#)

Arrows should point towards you, both pieces are marked front (near you) and back (far from you).

Supports are needed only for hanging notch. Print it on it's back so the notch is strong enough to hold all your precious data.
