### Netatmo Anemometer Bracket

Here's a bracket to mount the Netatmo Anemometer on a pole. The bracket is split in two, left and right and there is an STL file here for each one. Two pole sizes are provided 20mm and 25mm.

The fixings needed are:

4 x 30mm M3 Stainless Steel Hex Cap bolts

6 x 20mm M3 Stainless Steel Hex Cap bolts

6 M3 Stainless Steel Nyloc Nuts
