Lucky 13 Bumblebee head  
If you like it --> press like it :-)

Bumblebee head as a remix for the funny lucky 13 figure.  
The original is from [Jace1969](#).

You will need some supports, but not at the mounting area.

Take a look at my models, there you can find some more equipment for lucky 13.

Would be happy to see your makes!

### This remix is based on

## Transformers BumbleBee

by Jace1969

## LUCKY 13 Printable Jointed Figure
