Summary

Clip your atem mixer to the honeycomb storage wall.

[Household](#) > [Other House Equipment](#)

The **Honeycomb storage wall** by **RostaP** is an ideal board for making a quick setup with atem mini mixers and converters.

Ideal for livestreams and quick setups.

I have added 2 options so you can use the grid one way or the other.

print them 2 times so you have one clip on each side.
