Summary

7 part dice set for board games

Tags: [dice](#) [dungeonsanddragons](#)

I designed this 7 part dice set for a friend to turn into a mold for resin casting.

Would not recommend to print these for direct use since it would be hard to make them "fair".

Also recommend to print on a resin printer or very small layer-height to pick up the detail of the numbers and keep the edges sharp.

The font used for the numbers is Vonique 43 and can officially only be used for personal projects.
