So this is a remix of <https://www.printables.com/model/207534-card-sized-knife-fork-toothpick-kit> made by <https://www.printables.com/social/242064-ruben-martins/about>

I love things that fit in Altoids Tins. I made it so it fits in an Altoids Tin so if you need a knife or a fork or maybe a toothpick, this can be very helpful. You can fit 6 of these in 1 Altoids Tin.
