### Summary

Some different patterns of wedding rings

[Fashion](#) > [Men](#)

Tags: [mensfashion](#) [ring](#) [tpu](#) [tpufilement](#) [weddingring](#)

Printed in TPU, but might be ok (for a while?) in less flexible filament.

Printed here with a 0.3mm nozzle @ 0.15mm layers, . Others I have printed have worked well with a 0.4mm nozzle.

21.5mm inside, 9mm tall, wall thickness 2.1mm. Should scale well.  
Step/.f3d attached.
