

Spray can trigger for smaller caps

Jelle

[VIEW IN BROWSER](#)

updated 5. 4. 2023 | published 5. 4. 2023

Summary

Adjusted the long trigger model of the original slightly to make it work for "Spectrum" spray paint cans

[Hobby & Makers](#) > [Other Ideas](#)

The handle should now work for cans with smaller caps, such as [this](#) one.

Have fun with it and please share your makes :)

This remix is based on

Spray Can Handle to end them all
