Summary

19 Zoll/Inch Rack Rails - Height 3 1/2

Hobby & Makers > Music

19 Zoll/Inch Rack Rails - Height 3 1/2

////////////////////////////////////

There are 2 different Rails.

- original format / norm
- one that i needed for my lightswitches which has an additional hole spacing of 50mm (~2inch) in the upper part

Note that you need one rail and one mirrored version of each.
