Summary

A box to store external power plug in, with wall mount holes.

[Household](#) > [Outdoor & Garden](#)

Tags: [box](#) [plug](#) [power](#)

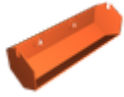

A box to store external power plug in, with wall mount holes. Intended to shield the power plug from sun and most rain, but not water proof.

A sample printed with PLA sags when loaded in direct sunlight, but since the whole box is intended as a temporary solution, this was not a problem. UV resistant material would be needed for serious use.
