### Summary

A bracket to mount a Square (as shown in the thumbnail) power strip on a wall/desk or wherever you want to mount it....

[Hobby & Makers](#) > [Other Ideas](#)

A bracket to mount a Square (as shown in the thumbnail) power strip on a wall/desk or wherever you want to mount it.

There are 2 Versions of it 1 with round corners and one without.

These mounts were designed to be printed without any support and therefore there is one layer on top of the screw holes you might have to remove first

### Print Settings

#### Printer Brand:

Prusa

#### Printer:
