## Summary

Hinged toothbrush cover! No longer lose a piece like other two-pieced designs

[Gadgets](#) > [Other Gadgets](#)

Hinged toothbrush cover! No longer lose a piece like other two-pieced designs

## Print Settings

### Printer:

Cr-10

### Rafts:

No

### Supports:

Yes

### Notes:

Best printed with tree supports and oriented as shown. Break the seal on the hinge by gripping the flap near the base near the hinge and carefully

apply pressure until free. Careful removing support material as the flap is thin and fragile

Category: Gadgets
