this model shows your UNDYING loyalty to our JUST robot overlords...

ok they're gone

I can't seem to escape Skynet and its many branches, this is a cover for your apple air tag, it has two models, one is made for multi-material units so you can print the red and black color scheme, and the other is meant to print with no supports, in addition, the holes in the holes in the back are for the airtag and two 0.5 diameter magnets, please support this, I don't know how long I can escape them...

AND ALWAYS REMEMBER TO SALUTE TO YOUR CARING AND JUST ROBOTIC DICTATORS

I'll be back
