Summary

Remixed versions of the Sanding Sticks to be 10mm and 25mm wide

[Hobby & Makers](#) > [Tools](#)

Tags: [sanding](#) [sandingsticks](#) [sandingtool](#)

A remix of the sanding sticks and customized labels to be 10mm and 25mm wide.

The photo shows the 10mm ones to the left, the original sanding stick in the middle and the 25mm versions to the right.

They use the same printed screws as in the originals so just print those.
