

Pegboard Drippy Bucket

Mephisztoe

[VIEW IN BROWSER](#)

updated 16. 9. 2022 | published 16. 9. 2022

Summary

I replaced the hooks by standard American pegboard hooks: 1" (25.4mm) spaced holes with a diameter of 3/16" (4.8mm).

[Household](#) > [Office](#)

In case your pegboard has a hole distance of 1.5" with slightly bigger diameters, you might want to check out v2 of this model.

This remix is based on

Skadis Drippy Bucket

by Printuin

Model files

pegboard_drippybucket.stl

☐ 1" distance between mounts

pegboard_drippybucket_v2.stl

☐ 1.5" distance between mounts and slightly bigger diameter
