Summary

Allows you to carry the keys comfortably when you go running.

[Sports & Outdoor](#) > [Outdoor Sports](#)

Tags: [keyholder](#)

Allows you to carry the keys comfortably when you go running.

Required material: printed parts x3, x2 DIN7985 M3x12 screws and x2 DIN985 M3 nuts.

Using PLA as a printing material, the strength of the product is enough to fulfill its function.
