updated 3. 1. 2024 | published 3. 1. 2024

### Summary

Allows you to conveniently store your essential oils.

[Hobby & Makers](#) > [Organizers](#)

Tags: [box](#) [storagebox](#) [essentialoilstand](#)

Allows you to conveniently store your essential oils.

Required material: printed parts x8.

Using PLA as a printing material, the strength of the product is enough to fulfill its function.
