Summary

These Cutters are 3.5" tall and I recommend 100% Infill on the but for speed I only use 20% Infill and it works fine.

[Household](#) > [Kitchen](#)

I made this because I sell cookie cutters to people in my area. For the longest time I made them without putting them up on here so I Thought I finnaly should do this for others who might want them so here you go.
