Summary

Box cutter blade fixture for cutting heat shrink tubing

[Hobby & Makers](#) > [Tools](#)

Tags: [cutter](#) [electronics](#) [electronicsworkbench](#) [heatshrink tubing](#)

Heat shrink tubing cutter jig for the work bench. It takes a standard box cutter blade, secured with 2x 4-40 screws. The swing arm is secured with a 1/4-20 BHCS. Threads are not modeled in, they are to be tapped.

Markings on outfeed are 1/4" spacing.

Be careful to not cut your finger!
