Space Port Central HQ

At the end of the day, someone's got to run things. Usually, it's the guy with the most guns. That said, the Space Port HQ has six separate guns, keeping the natives good and restless. Keep your authoritarian figures safe within their plascrete ivory tower. The scum-swilling dirty masses will always try to take what yours.

Don't let them!

Keep them oppressed with their dirty mutant noses to the grindstone. The far future is dark and desperate, but yours doesn't have to be! P0wn them before they p0wn you!

Keep what's yours!

Arm yourselves!

Get back in the fight!

When the alien armies come calling, be ready to repel them with extreme prejudice! The great megalopolises, burgeoning with trillions of lives, are constantly at war. With aliens, themselves, and more. Secure your troops and armoured vehicles as they push through the dirty crowds of humanity. Massive treasure and fortune await the delivery of your deemed cargo. Surrounded by the scum and dregs of lost humanity, chest bursting aliens, and worse, they are all out to take what is yours! Tens of thousands of years of accumulated industrial waste create a toxic hellscape environment filled with dirty mutants waiting to strike. Far below the mid levels of the megalopolis, in soul crushing battles, tanks and APCs crowd the streets with ongoing firefights. Violence is never more than a heartbeat away.

Use those guns!

Deliver your cargo!

Stay in the fight!

- Small painted-on supports are required for door and gun window openings. (Support Enforcers Only.)
- Nothing to glue (unless you want to. It's yours to make!).
- Stand up your Space Port before it's too late!
