### Summary

Deflator holds Schrader valves open to release air

[Sports & Outdoor](#) > [Outdoor Sports](#)

Tags: [bicycle](#) [deflator](#) [schrader](#) [schrader valve](#) [tube](#)

I volunteer at a couple of bicycle co-ops near me, and this tool helps empty tubes when changing tires. I printed CMH's DerSchraderFlatter but it wasn't strong enough in PLA, so I added threads to the other side and stiffened up the flexing part. I also added a little flag to make it more visible
