Summary

Lip Balm holder that fits into the door handle of a Subaru Outback (I have a 2020, but likely fits others).

Lip Balm holder that fits into the door handle of a Subaru Outback (I have a 2020, but likely fits others). Holds two containers side-by-side. I printed in PETG since car interiors can get very hot and potentially warp PLA. Prints flat with large-side down. I used 20% in-fill.
