### Summary

A 90 degree nozzle for spray cans with 4mm output tube

[Hobby & Makers](#) > [Other Ideas](#)

Tags: [fix](#) [nozzle](#) [spraycan](#)

This simple nozzle for spray cans can help you use them even if the original nozzle is long lost or broken. I should fit most spray cans with output tube diameter of 4mm.

Even though it's not the most ergonomic thing in the world it works fine and prints in **under 15 min.**
