Tags: [clicgear](#) [golf](#) [precisionpro](#) [bushnell](#) [rangefinder](#)

precision pro ranger finder holder that clips on all clicgear golf carts. print upright and enjoy.

intended for the left side of the cart for a right-hander, assuming the cart is on the left side of the ball when you go to read your yardage. let me know if the lefties want a version I can upload a mirror imaged one as well.

printed at 0.20mm height, with PETG.
