Summary

This is an adaptor to make allow my 1.25" (~32mm) vac hose to connect to the tracksaw.

Tags: [dustcollection](#) [makita](#) [shopvacadapter](#) [tracksaw](#)

Simple print that takes an hour on my Ender at regular quality. print large side down, no supports etc.

step file is included if you want to make adjustments for your particular use case.

not much else to say really.
