The logo is the one used by Corvette C6, that was made between 2005 and 2013.

This is a print using four colors, so if you don't have the MMU you will have eight manual changes. Only the first two layers include multicolor, so after that it runs without supervision.

The colors are by number:

- 0: Black
- 1: White
- 2: Red
- 3: Yellow

Here is a list of the color changes in order:

1. Black
2. White
3. Red
4. Yellow
5. Black
6. White
7. Red
8. Black

There are two versions of the code, with one (x1) or four (x4) coasters respectively.
