Summary

Center console water bottle adapter

[Hobby & Makers](#) > [Automotive](#)

Tags: [ford](#) [fordfits](#) [fordmaverick](#)

Just a simple adapter to fit larger water bottles in the Ford Maverick Center console. Recommend to print in PETG or other higher temp plastic if possible.

The 3.75" model will fit most large water bottles. Also added 3.875" and 4". Can modify for other sizes if requested.
