Missed to check out Thingiverse for a suitable wall mount for the IKEA Tradfri remote, so I designed my own a couple of days ago... better looking next time! ;)

Designed as **round shape** for stand-alone application as shown on the picture

Printer Brand:

Anycubic

Printer:

Large Size Chiron

Rafts:

No

Supports:

No

Resolution:

0,2mm layer height

Infill:

25%

Filament: Nothing special... PLA like your wall Custom Section

=====

Wall Mount

There's one screw hole underneath the fixation point which cannot be accessed once the Tradfri Remote is glued to the mount - so make sure you've put it on the right position.

****Remark:****

The magnetic cover should have a (very) tight fit when applied to the mount, so fix the mount on the wall first prior applying the cover

Category: Household
