## Summary

Allows you to use M10-1.5 stem casters on the Olympia XL Cart

[Hobby & Makers](#) > [Mechanical Parts](#)

Tags: [stem](#) [xl](#) [cart](#) [caster](#) [m10](#) [olympia](#)

This is a replacement for the Olympia XL Cart caster mount. The stock mount takes a grip ring stem. This replacement uses a M10-1.5 threaded caster.

I printed it using Layer 0.2, Infill 50%, wall thickness 2mm, and no supports.

\*Update: The file has been updated to version 2, which is slightly smaller and slides in easier.
