Tags: [28byj48](#) [adapter](#) [nema](#) [nema7](#)

### Background

In order for this stepper-motor to be useful (atleast for my purposes), I designed a small adapter-plate for it to be used in a NEMA-motormount.

The screwholes are designed for M3.

### Print-settings

Infill: 20%

Infill-pattern: Gyroid

Filament: Stronghold PLA

Hot-end temp: 205C

Bed-temp: 60C

Layer-height: 0.2mm

## Misc

Could perhaps pair well with <https://www.printables.com/model/169577-stepper-motor-and-driver-board-mount-for-28byj-48>
