### Summary

Here's a case to keep track of your Apple TV Remote. Designed for the 2nd Gen "Siri Remote".

[Gadgets](#) > [Other Gadgets](#)

Tags: [airtag](#)

This is the ultimate tracking case for your new-look Apple TV Siri Remote.

If you already have a Siri Remote, this case is perfect for protecting it and keeping it organized. The bottom of the case features a slot for your AirTag, with a snug fit for security.

### Print Instructions

Printed at 0.2mm Layer Height on default "0.2mm Quality Settings".
