Summary

simple Magsafe stand. Simply buy the magnetic rings and glue it to the ring on the model and you're all set!

[Fashion](#) > [Other Fashion Accessories](#)

MagSafe stand

the stand is meant to be used with MagSafe magnet ring strips that you can buy off of amazon, Ali express, Alibaba, etc.

it only holds your phone, not charge it, however, you are able to charge it with a lightning cord since the port is wide open
