Summary

A cute dolphin model to display on your shelf. prints with no supports needed

[Toys & Games](#) > [Other Toys & Games](#)

Tags: [cute](#) [dolphin](#) [nosupports](#)

This is my Cute Dolphin model, designed to be printed easily and support free. As well as separated pieces for easy single-extruder color changes.

This dolphin comes in 6 main parts:

The body, the base, eyes, fins, tail, and mouth. The body has an alt version which has a white bottom if printed separately so you can color the belly of the dolphin a different color.
