Summary

Tray for 7 eggs

Tags: [fridge](#) [refrigerator](#) [bosch](#) [siemens](#)

My new Bosch fridge came only with a single, rather flimsy tray for 7 eggs. As I needed space for more eggs, I've designed my own. I've designed it for my Bosch KIR24NFF0, but it should probably fit for most Bosch/Siemens models with the curvy inner side of the door.

Printing is really easy, upside-down, no supports.
