## Summary

I 3D printed stand for you headphones and PS4 controller.

[Gadgets](#) > [Video Games](#)

Tags: [controller](#) [headphones](#) [headphonestand](#) [ps4](#)  
[ps4controller](#)

This was printed in PLA+, 0.4 mm nozzle, and no supports. Modeled the feet after the feet on my Asus Predator monitor.

Please check the dimensions of your headphone bands to make sure that they will fit in the band area.

The controller rest works well for a ps4 controller. I have not tried it with any Xbox controllers.
