Tags: [case](#) [google](#) [phone](#) [pixel](#) [pixel6a](#) [shell](#)

Wanted a phone case for my Pixel 6a that would also have a recess for a wireless charging adapter so there is no buldge under the phone, so I designed one. The shell is 1.5mm thick.

Recommended settings : 0.25mm first layer height, 0.2mm layer height for the others
