### Summary

This is a 3D scann of a foot.

[World & Scans](#) > [People](#)

Tags: [foot](#) [shoe](#) [sole](#)

This is a 3D scann of a foot.

We printed a shell from carbon fiber (0.8mm thick with little scaling up the model) so it could be used for carbon fiber laminating for a bicycle shoe.

Unfortunately I don't have any photo's any more..

The items are a solid one, and a shell file.
