Tags: [circuit](#) [racetrack](#) [raceway](#) [speedway](#)

Road Atlanta, Braselton, United States, on a stand with it's name.

Race track 3x3 mm

Stand 198x3x15 mm

Gap for putting the track into the stand 0.1x0.1 mm bigger so it's easier to assemble.

Looks best when separate parts printed in different color fillament.
