Tags: [gopro](#) [gps](#) [holder](#) [qstarz](#)

Remixed from: QSTARZ 818XT Suction Cup Mount by [SilvrEclipse](#) February 10, 2021 (thingiverse).

Remixed to fit GoPro Mount Plates.

- Recreated a GoPro mount from scratch
- Removed suction pad mounts
- Fused to the base of the original model.
- Printed and tested in PLA (not advised for use, due to deformation) and Resin
