Ebike charger holder ep-2-pro, with space for storing the cable. For wall mounting.

*Dimansion charger - 15cmx7cmx4,5cm

*use glue to stick a small piece

*use 2x M6 40 screws and studs

3D PRINTING SETTINGS

I suggested PETG big file .stl and PLA small file .stl (cable insatll).
No support, 15% fill, no raft.

Model files

cable_mount.stl
