I designed this phone stand for my Huawei P20Pro, but also used it with a Samsung Galaxy S7. There will be many more phone models you can use with this stand. The max size is 79x12mm.

I bought a charger cable of this type (<http://s.click.aliexpress.com/e/hFRCYEV>) and designed the stand to fit the cable. You can also use the piece without a charger.

Print Settings

Printer Brand:

Anycubic

Printer:

All-metal Mega

Rafts:

No

Supports:

No

Resolution:

0.2mm

Infill:

25%
