This is a small container for all the odds and ends that come with being a maker.

The size of the cap is matched to the commercially available PET pop bottle caps.

There are also models for printable caps in case you don't have any pop caps laying around

Three types are available: normal type, slit type (slit width 1 mm), and knurled type.

Please enjoy by combining!

The size is 30 mm in outer diameter / 23 mm in inner diameter.
It may be a mini silica gel case or a storage case for 608ZZ bearings (4 pieces).
