Summary

With everyone staying at home your drains might be getting clogged more quickly.

Household > Bathroom

Tags: bathroom cleaning tools drain

With everyone staying at home your drains might be getting clogged more quickly. You can't call anyone to take care of it and you can't go out to buy a drain cleaning tool or chemicals, so why not print your own!? This 8.5" drain snake will clean out your drains quickly and easily.

Print instructions

Prints flat with a brim. I printed this in ABS, but PLA may work as well.
